

TREC South West Newsletter August 2007

The Chairman's Message

Just a very short newsletter to let you know, that your committee are busy planning and organising things for both our forthcoming events and thought that better than producing another long newsletter!

There have been a few competitions that members have competed in this year and we have tried to write a report for each event to go in the Equestrian Now Magazine.

A reminder of our competition dates follows. Schedules /entry forms are on the website. If you are attending either/both the events and can bring a helper we would love to hear from you. Equally, if your steed is feeling sorry for him/herself and cannot compete – please come and help – you often learn a lot just by watching. Please contact Jane Anscombe on 0162 6 888711 – we will feed you! Please also find attached a poster. We would be really grateful if you could print one or two off and put them up in your local tack shop/feed merchant.

Finally may I wish you all the best at the competitions and hope to see you there

Diary Dates.

19th August – Affiliated trec at Bicton College. We are running a Level 2 – with a newcomers section and also a Level 3. As the competition is only over one day the L3 course will NOT be maximum distance and might be the ideal way to step up to this level. It will probably mean an early start though. Camping and corralling will be available.

15th/16th September – Affiliated trec at Badworthy, near South Brent. We will be running Level 2 + 3 and if entries warrant L4. Again camping and corralling will be available on site and food will be provided on the Saturday night – come and make a real weekend of it. Schedules should be available on the website very soon.

Competition entries close 10 days in advance. All events are open to non-members at a surcharge – please check website for details.

The TSW League

Just a reminder to you all that we run our own league competition – it costs you nothing! All you have to do is ride at 3 of our competitions throughout the year (affiliated or unaffiliated) and we take your two highest scores. At the end of the year there are prizes and even a trophy for the highest place Newcomer/Novice and Open riders. It doesn't matter if you ride as a pair or an individual your own score will count for yourself.
